INTELLIGENCE MEMORANDUM

Situation in the Dominican Republic  
(Spot Report # 19 - 12:35 pm EDT)

Few people turned out this morning for the "mass rally" scheduled by the Imbert regime.

After being postponed yesterday afternoon because of heavy rains, the rally was held today around 11:00 am EDT. Few attended, perhaps 200

The idea of holding the rally appeared to be ill-conceived. Moreover, the location, in the far southwestern part of the city, was an isolated one which made it difficult for people, except those few with cars, to get there.
